Taking your bike?

CrossCountry: 2 spaces per train can be reserved (call 0844 811 0124). One bike without a reservation can be accepted on a first come, first served basis. Free.
East Coast: Reservations must ideally be made at the station at least 24 hours before travel. You can also make a reservation at the same time as buying your tickets if you buy online or over the telephone - 08457 225 333. Max 5 bikes per train (carried in the guard's van). Free.
Scotrail: 8 spaces per train which are filled on a first come, first served basis. Free.
All trains will accept folding bikes as hand-luggage.

Trains which travel to or from Haymarket often wait for connections at Waverley so passengers should allow up to 20 minutes for the journey between Haymarket and Waverley in either direction.

Getting to the Royal Infirmary of Edinburgh

Unfortunately it is not easy to get to Little France from Dunbar by public transport and this is something Sustaining Dunbar is working to improve. Currently the quickest way is to catch a train to Waverley and then get a bus from North Bridge: Catch LRT **8, 33, X48, 48 and 49** or Firstbus **86/86a**.

You can also get Firstbuses **X6, X8 or 253** from Dunbar to The Jewel Asda. From there catch LRT **49** to RIE (via Leith, takes 1hr!); or get off at Duddingston Park South to catch LRT **21.** Travel to Haddington to get Firstbus **128** (via the coast).

Early mornings and evenings the number **6** bus goes into Musselburgh itself where you can get LRT **30** to Dalkeith Road where there are frequent connections to the hospital.
