

Abbeylands Residents Issues Survey

Abbeylands Residents wants your views to find out what issues concern you.

We expect that tenants and homeowners concerns are reasonably similar, but to get support we do need tenants to take part.

If we get enough responses we can use the information to help us lobby for action or change.

The survey should only take a few minutes. If something isn't an issue, just select "Rarely a problem".

In a big hurry? Select just 5 issues that you do have a view on and then move on.

Feel free to do a family response or as an individual.

This is a Residents-Only survey - not a general High Street Visitor one, which we could also do at some point.

1. I am filling this in as

- As an individual
- As a family
- As a visitor (Survey ends)
