Travel Information

Dunbar - Edinburgh Bus & Train information

Sustaining Dunbar is a local charity working to make the Dunbar area a better place to live and easier to get about.

This year we have started looking at public transport options in the area. We realise that for buses and trains to be a realistic choice they have to go where people need them to go, when people need them. So, over the next few months, we will be carrying out surveys of local people asking these questions. If you'd like to be involved, please fill out the feedback form and return it to us.

In the meantime, we have put together this timetable with the trains and buses most relevant to Dunbar commuters. We hope you find it useful. If there is other information that you think we should be adding, please let us know.

Getting to the Royal Infirmary of Edinburgh

Unfortunately it is not easy to get to Little France from Dunbar by public transport and this is something Sustaining Dunbar is working to improve. At the moment the quickest way is to catch a train to Waverley and then get an LRT Bus from North Bridge. The **8, 33, X48, 48 and 49** all run to the hospital.

Alternatively you can get buses **X6, X8 or 253** from Dunbar to The Jewel Asda. From there catch the LRT bus **49** to RIE (via Leith – takes 1hr!); or travel further to Duddingston Park South to get the LRT bus **21**.

Early mornings and evenings the number **6** bus goes into Musselburgh itself where you can get LRT **30** to Dalkeith Road where there are frequent connections to the hospital.
