Shopper Surveys

Dunbar (East Linton)

Sustaining Dunbar is working to make it easier to walk, cycle or take public transport in the local area. We would like to know how you travel, why, and what changes you would like to see to make it easier to leave the car at home. We want to provide a campaigning voice for everyone in the area to improve and increase their travel options.

Please could you take a few minutes to complete this survey so that we can understand the travel wants and needs of shoppers. This is your chance to help us to identify problems in the High Street and suggest how they can be solved, and to tell us your views; please feel free to add any detailed thoughts or comments on a separate sheet of paper, and enclose it with the questionnaire.

Please return this form to **SUSTAINING DUNBAR, 16 WEST PORT, DUNBAR EH42 1BU**. FOR THE SURVEY TO BE SUCCESSFUL, WE NEED AS MANY FORMS RETURNED AS POSSIBLE.

Thank you for your help with this survey.

If there are any problems completing this form, please contact:-

Judy Miller on 07771 482089

The results of this survey will contain no reference to any individual; no-one will be able to be identified from the results. The information that you give us will be combined with other results and used to investigate current travel patterns and behaviour and to identify the ways in which we can encourage and enable people to make more journeys on foot, by cycle and by public transport.
