

Walk to School Week Survey May 2010

Class:

May 2010

Walk to School Week

It's Walk to School Week, and once again we are encouraging pupils to come to school on foot, by bike, scooter or something more exciting.

Better Routes to School

Please fill out the survey overleaf to highlight things which make your journey difficult so that we can continue campaigning for better routes to school.

Sustaining Dunbar

This year we are also working with Sustaining Dunbar, a local charity which wants to make it easier to walk, cycle or take public transport in the area. Please ask your parents and carers to complete the Sustaining Dunbar questionnaire (they might need some help from you!) and return both forms to your class teacher by 28th May.

Thanks!
