

**The Friends of Winterfield are working with East Lothian Council to make Winterfield Park a more pleasant place to visit. One of the things we would like to do is plant strawberry beds, herb pots and a small orchard so that visitors can stop and pick something to eat as they walk in the park or watch the tennis.**

**We have made a start on this by planting some trial strawberry plants around the tennis court to see where they grow best. Please could you make sure your dog doesn't foul these areas, which are marked with these signs.**
