Dear Mr Averbuch

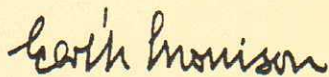

**HM The Queen's Diamond Jubilee**  
**The Big Jubilee Lunch – 3<sup>rd</sup> June 2012**

You will have seen a number of press announcements about plans to celebrate The Queen's Diamond Jubilee, and one of the events during the weekend of national celebration is the Big Jubilee Lunch on Sunday 3<sup>rd</sup> June.

This is the fourth year of the Big Lunch, initiated by the Eden Project, and involved nearly two million people in 2011, so it is proving to be very popular, and a good way in which people can get together and enjoy themselves. The Big Lunch website at [www.thebiglunch.com](http://www.thebiglunch.com) contains a wealth of information on all aspects of the organisation of a party.

Any group of people may organise a lunch on this occasion, and I should be most grateful if you and your council colleagues would use the networks in your community to encourage friends and neighbours to join in this great celebration. I am sure also that your local Councillor will wish to be involved.

Yours sincerely

**W Garth Morrison**  
Lord Lieutenant of East Lothian
